VALERIE LANDGUTH

PROFILE

I am a User Experience Designer and a Web Designer focused on creating experiences for the user that are meaningful and intuitive. I love working collaboratively and hearing new perspectives on design. I am dedicated to applying what I have learned, to creating great experiences for users.

EXPERIENCE

Designer (Contractor) - All Up Consulting LLC

July 2018 - Now

Consulting and career building services for various clients, including website design, branding/logo design, and career coaching

- Designing logos and branding elements for various companies
- Creating UX/UI for an asset management mobile experience
- Designing and building the company website allupconsulting.com

UX + Web Teaching Assistant - Eastern Washington University

January - March 2018 (Winter Quarter)

Introductory Web Design and User Experience Design classes. Teaching and tutoring HTML and CSS, and Sketch Principles

- Answered questions in class about HTML, CSS, and Sketch
- Critiqued and gave feedback on UX/UI for students
- Created assessments for students to reveal where more instruction was needed
- Curated a frequently asked questions page for students to refer to in future classes

UX Design Intern - INRIX Inc

July - September 2017

Connected-car services, OpenCar, and traffic analytics.

- Designed the Weather.com experience for Open Car
- Conducted usability testing on existing Open Car applications
- Presented my findings and suggested solutions to Director and VP level stakeholders
- Created a Sketch Library for the Design Team to use as a style guide
